

### **REMARKS**

Claims 1-3, 5, 24-26, 29, 30 and 55 are pending and appear in this application for the Examiner's review and consideration. Claim 5 is currently amended.

In response to the Notice of Allowance mailed October 19, 2006, applicants have reviewed the file and discovered that claim 5 was inadvertently amended by the Examiner to depend from a product rather than a composition claim. Accordingly, claim 5 has been amended herein to correct this error. In addition, the preamble of claim 5 has been amended to recite "pharmaceutical" composition to be consistent with claims 2-3.

As no new matter has been introduced and since this paper is being submitted prior to payment of the issue fee, this Amendment should be entered at this time to correct these errors.

Respectfully submitted,
